Women's Scrapbooking retreat Pajama Party!

A SCRAPBOOKING RETREAT at Pine Lake Christian Camp

There is nothing like sitting around in your pajamas and your favorite slippers, sipping hot chocolate, eating popcorn and scrapbooking with your friends and family! Join us at Pine Lake Christian Camp for a scrapbooking pajama party full of giggles, girlfriend bonding, bedtime stories, munchies and memories in the making!

Becky Linn and Lynn Johnson will welcome you and be available throughout the weekend to serve you and encourage you. Scrapbooking supplies and new products will be available for you to purchase.

Also, don't miss Jennifer's great "how to" workshops and sessions.

Party Planning tips: (what to bring)

- Wear comfortable clothes, PJs, robes and slippers.
- Bring lots of photos & pack your camera to capture memories in the making.
- Bring an elementary school picture of yourself for "Flashback Foto Fun" game (no names on the picture).
- Bring albums, adhesives, scissors, idea books, journaling pens, etc. Additional tools and supplies will be available for you to use or purchase.
- Sort and crop your photos in advance. Know what your photos are and have an idea of what you'll journal. This will save you time at the retreat.
- Bring favorite munchies to share with all scrapbookers.
- Bring bedding, towels and toiletries.
- Bring a flashlight for travel from lodging to the scrapbook area at night.
- Bring any completed albums to showcase at our Albums on Parade table in the foyer of the chapel.
